

Designs You Already Trust

Now available with BKS technologySM

Now available to order, Hoya Summit ecp[®] and Summit cd[®] BKS. Extended Corrective Performance (ecp) and Compressed Design (cd) bring exceptional freedom and unparalleled vision in all viewing zones. By utilizing BKS, we are able to optimize the Summit progressive design and expand lens material options and treatments compared to conventional designs.

Hoya Summit ecp and cd BKS combine designs you already trust with Hoya Free Form technology to improve the overall optical performance.

Summit ecp and cd BKS offers:		
 <p>BKS Free Form Surfacing</p>	 <p>Variable inset</p>	 <p>Wider corridor</p>
 <p>Full array of lens materials and frame variations</p>	 <p>Clearer vision and smooth adaptation between viewing zones and angles</p>	 <p>Smaller frames now available with Summit cd BKS</p>

Hoya Summit ecp and cd BKS progressive lenses are available in wide variety of materials and colors:
