

MIRROR LENSES

Protection Meets Style

LC MIRRORS

Powerful Protection with Style

- ▶ 19 fashion forward colors available on a brown or gray polarized base lens
- ▶ The utmost comfort by reflecting light away from the lens surface
- ▶ Reduces eye strain caused by glare and is particularly beneficial for activities in bright surroundings, such as snow, water, or sand
- ▶ Premium mirror process that provides a stronger bond between the lens and mirror coating
- ▶ Availability
 - Materials: 1.50, Trivex®, Poly, 1.60, 1.60, 1.67
 - Products: LC ELITE2 BSP, LC ELITE / SHORT, LC STD BKS 15 / 11, LC MEDIA III, LC PRE PBSP, LC SV COMP, LC SV PLUS, LC SV
 - Coatings: HMO, HM4, HM3, HM2, HM1, HMC, HMB (material dependent)
